

### Junior Competition:

Welcome aboard the 2023-2024 season. We are so thrilled to have so many children enjoying our beautiful facilities and playing tennis. It's such a great way to kick start the weekend.

Just a few notes:

**All parents:**

- You are responsible for informing your TEAM CAPTAIN as early in the week as possible if your child is unable to play, and assist with finding a replacement. **PLEASE DO NOT SIMPLY NOT TURN UP – THIS MAKES THE RUNNING THE COMPETITION EXTREMELY DIFFICULT FOR EVERYONE. We thank you in advance for your commitment to getting your child there every week.**
- Please ensure that your child arrives at 5:20pm, ready for a 5:30pm sharp start. Please consider staying yourself, enjoying watching some tennis, the BBQ dinner and getting to know other people around our Club.
- Please offer to help your Team Captain wherever possible – for example, with scoring/umpiring games out on court. Many hands make light work!

**Team Captains:**

- It is your role to ensure that 4 players are available and in attendance each week to represent your team.
- Please touch base with your team families early in the week to ensure everyone is available. We suggest setting up a group message (such as Messenger, text, WhatsApp) so it is simple and easy for all parents within the team to communicate with you.
- If you have an unavailability, please contact players either from a team of 5 players to see if they have a spare, or contact Kelly Hill (0419 352 574) who'll arrange a fill-in from the intermediate coaching group.
- Please assist with score/umpiring matches each week (or arranging another adult/parent to assist).
- Please ensure scoresheets are completed, signed and handed to Junior Competition conveners each week. (Involve your players in this responsibility as much as possible.)
