#### 1. **Draws Now on [ELTC Website](#)**

We have 15 events that needed to be broken up into multiples.

These show as Draw1 /2 etc on the website. (If you don't see your name in the first draw, check others.)

#### 2. Most events have divisions of 4 players in a round robin, with finals to follow. Some events will show 3 players in a division (2 scheduled matches with a further match arranged on the day.)

#### 3. **Match times** will publish soon (aiming end week👉).

*Please note that we are unable to provide entry refunds once match times are published.*
