## Sunday Dinner and Entertainment

A few spots still available – book via our website link.

## Change to Shaded Seating

We have sadly had to remove trees from the South border of our venue, (diseased and unsafe). They have served us brilliantly over the years but have passed their use by date. New plantings have been undertaken – but won't provide shade for a number of years.

**If you sit in this area and are able,  
please bring your own portable shade.**
