At last the rain has stopped (???), just in time for the run-up to Christmas

Congratulations to our Club – Tennis Vic, Most Outstanding Tournament

The award was presented at Kooyong – amazing to see how many friends of ELTC expressed congrats on our social media – this reflects the wonderful effort our Members put in to make the event a huge success. (Bring on 2023!)

Stop Press! Just announced that we are one of three national tournament events listed for Newcombe Medal and Australian Tennis Awards – held on 12 Dec. Good Luck ELTC!

Juniors: Juniors have had a successful start under Kelly, Gerri, Kim and Caroline. I know they also appreciate the parents who support them in a number of roles. Six Teams are up and running – great to see them out on our courts and competing. The coaching groups are well attended with great enthusiasm.

Thursday Night Tennis: Xmas BBQ – 15th Dec. 5:30 start, 1 set then BBQ, All Welcome, confirm with Lyn or Ros pls. Salads donated by Jill Hayes, *thanks Jill*. Players interested in 1st Term 2023, names to Lyn or Ros please.

Saturday Teams: BDTA provided BBQ – All matches at ELTC, 17th Dec. Thanks Jake for arranging Captains W/App group – seems to be doing the trick!

Courts / Team Practices / Social Tennis etc: Members have access to all our courts 7 d/wk. (FYI – Mowing and lining is done Tuesday and Friday), three courts will always be left set-up to play. You're welcome to set-up more, just leave nets as you found them.

Use the Key Safe to access courts, (instructions displayed adjacent the safe).

Membership Fees: now overdue, early bird discount finished. Have you paid?
(Discuss with Conveners / Team Captains / Chris Ellis – Membership Secretary.)

Recent Addition. The Committee has ratified an Alcohol Policy. (No particular changes from past requirements, just being documented. It now spells out our Restricted Club Licence requirements and clarifies BYO – not permitted.)

Changes Coming to ELTC

Cyprus Trees: Removal has occurred next to court 6. Further landscaping to occur prior to re-planting.

Unfortunately we were unsuccessful in our two grant applications, for a Unisex Accessible toilet and a shade shelter - will be considering other ways to deliver.
